## **Preface**

The 2003 Replacement Tables Volume B of the Arkansas Code of 1987 Annotated contains the acts disposition table which shows where legislative acts have been codified in the Code, or accounts for their absence from the Code. The former table of code section number changes, which showed the current disposition of Arkansas Code of 1987 Annotated sections which have been transferred from one location to another, along with the disposition of earlier statutes which had the same A.C.A. section designation later used for another statute, has been incorporated into the acts disposition table for greater ease of use.

## **User's Guide**

Many of the Arkansas Code's research aids, as well as its organization and other features, are described in the User's Guide, which appears near the beginning of Volume 1 of the Code.

# **ACTS DISPOSITION TABLE**

This table shows the disposition of acts passed in the sessions of the General Assembly from 1836 through the 2003 Regular Session. Acts for sessions in 1836-1857 and 1874-75 are identified by session, page number, and section. Acts for all other sessions are identified by session, act number, and section. Tables for the sessions from 1968 through 2003 appear in this volume; tables from the session from 1836 through 1967 appear in Tables Volume A. Current disposition is noted under the column headed "A.C.A."

The following abbreviations are used in this table:

Appn. = appropriation; Appx. = appendix; Art. = article; Ch. = chapter; Const. = Constitution of 1874; Const. Amend. = constitutional amendment; Constr. = construction; Cum. = cumulative effect of act; Eff. = effective date; Emer. = emergency clause; Leg. = legalizing or validating; Leg. Int. = legislative intent; n = note; Omitted = omitted during codification, with approval of Arkansas Code Revision Commission, as not being valid or of a general and permanent nature; Reviv. = reviving; Rplg. = repealing clause; Sav. = saving clause; Sep. = separability clause; Spec. = special or local law; Supp. = supplemental effect of act; T. = title; Temp. = temporary; Unconst. = unconstitutional; \* = section added by subsequent law.

With respect to sections carried as notes, an act section noted under a single code section receives an entry such as, for example, 1-1-101n; an act section noted under a particular subchapter receives an entry such as 1-1-subch. 1n, meaning that it is noted under Title 1, Chapter 1, Subchapter 1; an act section noted under a particular chapter receives an entry such as 1- ch. 1n, meaning that it is noted under Title 1, Chapter 1.
